# APPROVAL

OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of the waters of Willow Creek, swamps and springs as heretofore appropriated under Permit 59699 which changed Proof 00654 as appears in the Humboldt River Decree No. 2804 entered October 20, 1931 and October 7, 1935, in the District Court of the Sixth Judicial District of the State of Nevada, in and for the County of Humboldt, is issued subject to the terms, conditions and irrigation period imposed in said decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This permit is subject to the condition that the permittee must ensure that wildlife which have customarily used such water will have access thereto, NRS 533.367.

This permit is issued to correct the spring location incorrectly described in application 59699. Any cancellation or withdrawal of this permit will result in the water reverting back to Humboldt River Claim No. 00654.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0984 cubic feet per second but not to exceed 7.82 million gallons annually.

Work must be prosecuted with reasonable diligence and be completed on or before July 6, 1997

Proof of completion of work shall be filed before August 6, 1997

Application of water to beneficial use shall be made on or before July 6, 2000

Proof of the application of water to beneficial use shall be filed on or before August 6, 2000

Map in support of proof of beneficial use shall be filed on or before N/A

Completion of work filed AUG 22 1997

Proof of beneficial use filed SEP 08 2000
